- 3.11 For greater certainty, a former Teacher who participated in the TPA Plan and terminated employment as a Teacher prior to the Effective Date and, upon such termination of employment, had less than five (5) years of pensionable service under the TPA Plan at termination of employment shall not be entitled to any benefit under the New Brunswick Teachers' Pension Plan and shall only be entitled to the benefit described in subsection 11(1) of the TPA Plan.

4.2 Subject to the Income Tax Act, the Required Contributions required from Teachers who are Members, Non-certified Teachers who are Members and Supply Teachers who are Members shall, prior to July 1, 2029, be equal to the percentage of the Teacher's, Non-certified Teacher's and Supply Teacher's Earnings as shown in Section 4.4.

Such contribution rates shall be adjusted as may be required from time to time by the Board of Trustees, subject to the Income Tax Act and the triggering mechanism and limitations imposed by the Funding Policy, and shall be documented in APPENDIX B. For purposes of the Required Contributions required from a Teacher who receives only a portion of his or her Earnings for a period, such contributions shall be based on the Teacher's Earnings with the adjustment described in the second paragraph of Section 2.19 but limited in any event to the amount described in the final paragraph of Section 2.19.

For the purposes of the Required Contributions required from a Teacher or Non-certified Teacher who accrues Pensionable Service as described in the paragraph immediately following paragraph 2.38(iv), such contributions shall be based on the Teacher's or Non-certified Teacher's Earnings before the adjustment described in the third or fourth paragraph of Section 2.19, as applicable, but limited in any event to the amount described in the last paragraph of Section 2.19 (hereinafter in this Article IV referred to as "**Teacher and Non-Certified Teacher Contributory Earnings**").

For the purposes of the Required Contributions required from a Supply Teacher who accrues Pensionable Service as described in paragraph 2.38(iii), such contributions shall be based on the Supply Teacher's Earnings before the adjustment described in the fifth paragraph of Section 2.19, but limited in any event to the amount described in the last paragraph of Section 2.19 (hereinafter in this Article IV referred to as "**Supply Teacher Contributory Earnings**").

4.3 Subject to the Income Tax Act, the Required Contributions required from the Employer shall, prior to July 1, 2029, be equal to the percentage of the Teacher's or Non-certified Teacher's Earnings (or Teacher and Non-certified Teacher Contributory Earnings, as applicable) or the Supply Teacher's Supply Teacher Contributory Earnings, as applicable, as shown in Section 4.4.

Such contribution rates shall be adjusted as may be required from time to time by the Board of Trustees, subject to the Income Tax Act and the triggering mechanism and limitations imposed by the Funding Policy, and shall be documented in APPENDIX B.

4.4 Required Contribution rates expressed as a percentage of Earnings (or Teacher and Non-certified Teacher Contributory Earnings or Supply Teacher Contributory Earnings, as applicable):

4.5 Notwithstanding Section 4.2 and 4.3, effective as of July 1, 2029, the Required Contributions required from Teachers who are Members, Non-certified Teachers who are Members and Supply Teachers who are Members at the time, and the Required Contributions required from the Employer shall be equal and shall be determined as follows, subject to the Income Tax Act:

- (i) the aggregate contribution amount shall be determined at such time as follows:
 - (a) the average Teacher, Non-certified Teacher and Supply Teacher Required Contribution rate produced by the Required Contribution formula of nine and one-quarter percent (9.25%) of Earnings (or Teacher and Non-certified Teacher Contributory Earnings or Supply Teacher Contributory Earnings, as applicable) up to the YMPE of Teachers who are Members, Non-certified Teachers who are Members and Supply Teachers who are Members at the time, plus ten and ninety-five one hundredths percent (10.95%) of Earnings (or Teacher and Non-certified Teacher Contributory Earnings or Supply Teacher Contributory Earnings, as applicable) above the YMPE of Teachers who are Members, Non-certified

Teachers who are Members and Supply Teachers who are Members at the time, plus

- (b) nine and three-quarters percent (9.75%) of Earnings (or Teacher and Non-certified Teacher Contributory Earnings or Supply Teacher Contributory Earnings, as applicable), and
 - (c) the sum of (a) and (b) shall be divided by two (2) (each being a “Contribution Amount”);
- (ii) the aggregate contribution amount in (i) above shall be split as follows:
- (a) the new Required Contributions required from Teachers who are Members, Non-certified Teachers who are Members and Supply Teachers who are Members shall be determined by adjusting the Contribution Amount in (i)(c) above for Earnings (or Teacher and Non-certified Teacher Contributory Earnings or Supply Teacher Contributory Earnings, as applicable) up to and above the YMPE, as appropriate at that time; and
 - (b) the new Required Contributions required from the Employer will match the Required Contributions required from Teachers who are Members, Non-certified Teachers who are Members and Supply Teachers who are Members.

Thereafter, contribution rates of Teachers who are Members, Non-certified Teachers who are Members, Supply Teachers who are Members and of the Employer shall be adjusted as may be required from time to time by the Board of Trustees, subject to the Income Tax Act and the triggering mechanisms and limitations imposed by the Funding Policy, and shall be documented in APPENDIX B.

- 4.6 Contribution Holidays will only be permitted if required in accordance with the eligible contribution limitations under the Income Tax Act, and will only be applied in the manner allowed under the Funding Policy; provided that, if the Required Contribution rate required from the Employer is in excess of the Required Contribution rate required from Teachers who are Members, Non-certified Teachers who are Members and Supply Teachers who are Members at the time of such Contribution Holiday, any such Contribution Holiday must be applied first to the Required Contribution rate required from the Employer until such time as the Required Contribution rate required from Teachers who are Members, Non-certified Teachers who are Members and Supply Teachers who are Members and from the Employer are equal. Once such Required Contribution rates are equal, any further decreases in Required Contribution rates shall be applied equally to the Required Contribution rates required from Teachers who are Members, Non-certified Teachers who are Members and Supply Teachers who are Members and the Required Contribution rate required from the Employer.

4.7 Subject to the Funding Policy and the Declaration of Trust, all reasonable fees and expenses related to the administration of the New Brunswick Teachers' Pension Plan and the administration and investment of the Fund shall be paid from the Fund, including fees and expenses of the Board of Trustees and their agents.

- 5.1 The Base Benefits described in this ARTICLE V, and Section 6.7 where applicable, are the intended Base Benefits under the New Brunswick Teachers' Pension Plan. Notwithstanding any other provision of the New Brunswick Teachers' Pension Plan, the Funding Policy allows or requires the Board of Trustees to adjust Base Benefits. Such adjustments may be positive or negative and may affect all classes of Members, Pre-Conversion Retirees and Claimants. Any adjustments to Base Benefits made pursuant to the Funding Policy shall be paramount for the time period required under the Funding Policy and shall affect the Base Benefits specified in the New Brunswick Teachers' Pension Plan. Any such adjustments shall be documented in APPENDIX C.
- 5.2 Subject to ARTICLE XIX, for each Pre-Conversion Retiree and Other Pre-Conversion Claimant, the Base Benefits shall be the sum of (i), (ii) and (iii), adjusted where required according to APPENDIX C:

- (v) IAB as may be granted by the Board of Trustees from time to time, in accordance with ARTICLE VI and the Funding Policy, as documented in APPENDIX A.

5.4 For Pensionable Service prior to the Effective Date, the Base Benefits (prior to any adjustments required by ARTICLE XII and/or APPENDIX C) of a Member for purposes of paragraph 5.3(i) shall be equal to: the number of years (and fractions thereof) of the Member's Pensionable Service prior to the Effective Date multiplied by the sum of (i) and (ii) as follows: (i) one and three-tenths percent (1.3%) of the lesser of the Member's Average Salary and the Average Maximum Salary, and (ii) two percent (2%) of the Member's Average Salary, if any, that is greater than the Average Maximum Salary.

For purposes of this Section 5.4 and Section 12.5,

5.6 Subject to ARTICLE XIX, the maximum Base Benefits payable to a Member at retirement under ARTICLE IX, X, XII or XIII or upon termination of employment under ARTICLE VII shall be equal to the number of years (and fractions thereof) of the Member's entire period of Pensionable Service multiplied by the sum of (i) and (ii) as follows: (i) one and three-tenths percent (1.3%) of the lesser of the Member's Final Average Salary and the Final Average Maximum Salary, and (ii) two percent (2%) of the Member's Final Average Salary, if any, that is greater than the Final Average Maximum Salary.

- (ii) **"Final Average Maximum Salary"** means the average of the YMPE for the year in which the Member retires under ARTICLE IX, X, XII or XIII or terminates employment under ARTICLE VII and for each of the two (2) preceding years.

Instead, future IAB adjustments may be granted by the Board of Trustees from time to time in accordance with ARTICLE VI.

**ARTICLE VI

6.1 IAB is an Ancillary Benefit and shall be granted annually, if permitted under the Funding Policy, on the following scheduled basis in respect of all Base Benefits in payment on or accrued up to the applicable date described below. For greater certainty, IAB may be nil in a given year or years, as determined by the Board of Trustees in accordance with the Funding Policy. Until a funding valuation of the New Brunswick Teachers' Pension Plan, as required by the Pension Benefits Act and the Funding Policy, indicates a change is required, the basis for granting such IAB on any January 1st after January 1, 2015 shall, in respect of the Base Benefits accrued up to January 1st of the immediately preceding year, be at the rate of

- (i) one hundred percent (100%) of the increase in the CPI for the relevant period for the portion of the year while the Member is contributing under Section 4.2; and
- (ii) seventy-five percent (75%) of the increase in the CPI for the relevant period for the portion of the year while the Member or other recipient is a

- 6.2 IAB granted in any given year by the Board of Trustees in accordance with this ARTICLE VI and the Funding Policy shall be limited to the amount permitted under the Income Tax Act.
- 6.3 Once IAB is granted for a given year to a Member, Pre-Conversion Retiree, or Claimant in accordance with this ARTICLE VI and the Funding Policy, it becomes part of the Base Benefits for such Member, Pre-Conversion Retiree, or Claimant, as the case may be.
- 6.4 IAB granted under the New Brunswick Teachers' Pension Plan after January 1, 2015, and the changes in the CPI from year to year used in determining whether any such IAB will be granted, shall be documented in APPENDIX A.
- 6.5 Each time IAB is granted under Section 6.1, it shall also apply to any bridge benefits determined in accordance with Section 12.5 in payment on or accrued up to December 31 of the previous year.
- 6.6 The Ancillary Benefits, other than IAB, may be less or nil in a given year or years, as determined by the Board of Trustees in accordance with the Funding Policy, in which case the reductions for early payment in Sections 12.4, 12.6 and 12.7 shall be no greater than reductions for early payment on an Actuarial Equivalent basis but in no event less than the reductions for early payment required by Section 19.1
- 6.7 Once the Ancillary Benefits are provided upon death in accordance with ARTICLE VIII or upon a Member commencing to receive a pension in accordance with ARTICLE XII and in accordance with the Funding Policy, such Ancillary Benefits become part of the Member's or Pre-Conversion Deferred Vested Member's Base Benefits under ARTICLE V.
- 6.8 The level of Ancillary Benefits to be provided under ARTICLE VIII or ARTICLE XII in a given year or time period, as determined by the Board of Trustees in accordance with the Funding Policy, shall be documented in APPENDIX C.
- 6.9 The Ancillary Benefits described in this ARTICLE VI are the intended Ancillary Benefits. Notwithstanding any other provision of the New Brunswick Teachers' Pension Plan, the Funding Policy allows or requires the Board of Trustees to make changes to the Ancillary Benefits. Such changes may be positive or negative and may affect all classes of Members, Pre-Conversion Retirees and Claimants. Any changes to Ancillary Benefits made pursuant to the Funding Policy shall be paramount for the time period required under the Funding Policy and shall affect the Ancillary Benefits specified in the New Brunswick Teachers' Pension Plan. Any such changes shall be documented in APPENDIX C.

**ARTICLE VII
BENEFITS ON TERMINATION OF EMPLOYMENT**

7.1 Upon a Member's termination of employment as a Teacher or Non-certified Teacher (or termination of employment and exclusion from all supply teacher eligibility lists for a Supply Teacher), other than through death, prior to the Member's Vesting Date, the Member is entitled to a refund of the Member's contributions made in accordance with ARTICLE IV of the New Brunswick Teachers' Pension Plan and Sections 3 and/or 4 of the TPA Plan, with Accumulated Interest. The Member may direct that such refund be paid in any of the following ways, or as otherwise permitted from time to time under the Pension Benefits Act and the Income Tax Act:

- (i) paid as a lump-sum cash refund to the Member (less applicable withholding taxes); or
- (ii) transferred to the Member's Registered Investment Vehicle, as permitted under the Income Tax Act and the Pension Benefits Act.

7.2 Upon a Member's termination of employment as a Teacher or Non-certified Teacher (or termination of employment and exclusion from all supply teacher eligibility lists for a Supply Teacher), other than through death, on or after the Member's Vesting Date, but before the Member is eligible to commence receipt of a pension under ARTICLE XII, the Member is entitled to a deferred annual Base Benefits pension payable no later than the Member's Normal Retirement Date and determined in accordance with ARTICLE V, and ARTICLE XII where applicable. In lieu of a deferred pension, the Member is entitled to transfer the Termination Value under Section 7.3, subject to Section 18.2. The Board of Trustees shall provide the Member within the time period prescribed under the Pension Benefits Act from time to time with the disclosure of information required to be provided under the Pension Benefits Act and an election form pursuant to which the Member may elect to transfer the Termination Value under Section 7.3.

For greater certainty, upon a Member's termination of employment as a Teacher or Non-certified Teacher (or termination of employment and exclusion from all supply teacher eligibility lists for a Supply Teacher), other than through death, on or after the Member's Vesting Date and after the Member is eligible to commence receipt of a pension under ARTICLE XII, such Member is entitled to a pension or a deferred pension under the terms of the New Brunswick Teachers' Pension Plan, and is not entitled to make an election to transfer the Termination Value under Section 7.3.

7.3 A Member who is entitled to transfer the Termination Value may direct the Board of Trustees to transfer the Termination Value:

- (i) to another pension plan with the consent of the administrator of that pension plan; or

Upon providing the direction to the Board of Trustees, if the Termination Value exceeds the transfer limit prescribed by the Income Tax Act, the excess of the Termination Value over the prescribed transfer limit shall be paid in a lump sum to the Member (less applicable withholding taxes).

After the Member receives notice of his or her rights under Section 7.2, the Member must provide the direction to the Board of Trustees within the time period prescribed under the Pension Benefits Act from time to time. If no such direction is provided within the time period prescribed under the Pension Benefits Act from time to time, the Member will be deemed to have elected to not make a transfer under this Section 7.3 and Section 7.4 shall apply.

7.4 Unless otherwise elected under Section 7.3 by the Member entitled to a deferred pension under Section 7.2, and subject to ARTICLE XVIII, such Member's deferred Base Benefits pension under the New Brunswick Teachers' Pension Plan shall remain in the New Brunswick Teachers' Pension Plan and the Member shall be entitled to a deferred pension under the terms of the New Brunswick Teachers' Pension Plan until the Member's pension commencement, death, or marriage or common law partnership breakdown (in circumstances where a payment to the Member's spouse or common-law partner or former spouse or common-law partner from the New Brunswick Teachers' Pension Plan is required).

7.5 Upon the transfer of a Termination Value under Section 7.3 or a refund under Section 7.1, the Member has no entitlement to any further benefits or enhancements from the New Brunswick Teachers' Pension Plan or payment from the Fund and shall cease to be a Member.

7.6 Any Pre-Conversion Deferred Vested Member shall not be entitled to a transfer in accordance with Section 7.3 or any other transfer from the New Brunswick Teachers' Pension Plan, unless provided under ARTICLE XVIII or Section 22.3, and shall remain in the New Brunswick Teachers' Pension Plan entitled to a deferred pension under the terms of the New Brunswick Teachers' Pension Plan until the Pre-Conversion Deferred Vested Member's pension commencement, death, or marriage or common law partnership breakdown (in circumstances where a payment to the Pre-Conversion Deferred Vested Member's spouse or common-law partner or former spouse or former common-law partner from the New Brunswick Teachers' Pension Plan is required).

A transaction that purports to commute or surrender a pension is void.

18.6

The Member and the Member's Spouse may enter into a written agreement that waives the Spouse's entitlement and any surviving Spouse's pension under ARTICLE VIII or XI. A surviving Spouse is not entitled to a surviving Spouse's pension under ARTICLE VIII or XI if there is:

- (ii) a decree, order or judgment of a competent tribunal that bars the claim of the surviving Spouse.

ARTICLE XIX
MAXIMUM PENSION

19.1 Notwithstanding any provision to the contrary in the New Brunswick Teachers' Pension Plan and the Funding Policy, the annual lifetime pension payable to any Member under the New Brunswick Teachers' Pension Plan, determined at the time of pension commencement, including any benefit payable to a Member's spouse or common-law partner or former spouse or former common-law partner as a result of the breakdown of a marriage or common-law relationship, shall not exceed,

- (i) in respect of Pensionable Service after 1991, the Member's Pensionable Service for such period multiplied by the lesser of:
 - (I) the defined benefit limit, as defined in the Income Tax Act (being \$2,770.00 for pension commencement dates in 2014); and
 - (II) two percent (2%) of the Member's highest average indexed compensation (as defined under the Income Tax Act) in any three (3) non over-lapping periods of twelve (12) months; and
- (ii) in respect of Pensionable Service before 1990 that a Member purchased after 1991 under subparagraph 4(1)(b)(ii) of the TPA Plan which was non-contributory service before 1990, the Member's Pensionable Service for such period multiplied by two-thirds ($\frac{2}{3}$) of the defined benefit limit in subparagraph (i)(I) above;

and such maximums shall be reduced if the pension commencement date precedes the earliest of the day on which:

- (iii) the Member attains age sixty (60);
- (iv) the Member's age plus early retirement eligibility service (as defined in the Income Tax Act) would have equalled eighty (80); and
- (v) the Member would have completed thirty (30) years of early retirement eligibility service (as defined in the Income Tax Act) with the Employer,

by one-quarter of one percent ($\frac{1}{4}$ of 1%) for each month by which the pension commencement date precedes such earliest date assuming the Member had continued in employment as a Teacher, Non-certified Teacher or Supply Teacher to that date.

Subsequent to a Member's pension commencement, the maximum annual lifetime pensions determined above shall be indexed annually according to increases in the Consumer Price Index for Canada as published by Statistics Canada or its successor, over the twelve (12) month period ending October of the immediately preceding Plan Year. For greater certainty, such indexation calculation is solely for purposes of determining the maximum pensions under this Section 19.1.

19.2 In the event a bridge benefit is payable under ARTICLE XII, the sum of the Member's annual Base Benefits pension for Pensionable Service after 1991 plus the annual bridge benefit for Pensionable Service after 1991 determined at the time of pension commencement, shall not exceed (i) plus (ii) as follows:

- (i) the defined benefit limit, as defined in the Income Tax Act (being \$2,770.00 for pension commencement dates in 2014) multiplied by the Member's Pensionable Service after 1991; plus
- (ii) twenty-five percent (25%) of the average of the YMPE for the year of pension commencement and each of two (2) immediately preceding years, multiplied by the Member's Pensionable Service after 1991 (maximum thirty-five (35) years).

Subsequent to a Member's pension commencement date, the maximum annual amount determined above shall be indexed annually according to increases in the Consumer Price Index for Canada as published by Statistics Canada or its successor, over the twelve (12) month period ending October of the immediately preceding Plan Year. For greater certainty, such indexation calculation is solely for the purposes of determining the combined maximum annual lifetime pension and bridge benefit under this Section 19.2.

19.3 The provisions of this ARTICLE XIX also apply, with the necessary modification, to each Pre-Conversion Deferred Vested Member upon commencement of pension payments under the New Brunswick Teachers' Pension Plan.

ARTICLE XX

If upon discontinuance of the New Brunswick Teachers' Pension Plan the assets of the Fund are insufficient to discharge all liabilities under

the New Brunswick Teachers' Pension Plan, as adjusted in accordance with APPENDIX C, for the accrued Base Benefits of the affected Members, Pre-Conversion Retirees and Claimants, such Base Benefits shall be reduced in accordance with the TPPA, the Pension Benefits Act and the Funding Policy. If there are additional assets, these may be used to provide Ancillary Benefits in accordance with the Funding Policy. If there are surplus assets remaining after the discharge of liabilities for the accrued Base Benefits and any Ancillary Benefits provided in accordance with the Funding Policy, such assets shall be distributed to the Members, Pre-Conversion Retirees and Claimants, in accordance with Funding Policy, the TPPA and the Pension Benefits Act.
