

Investment Client Relationship Manager

Vestcor has a newly created position available for an Investment Client Relationship Manager.

Located in Fredericton, Vestcor is the largest in-house investment manager in Atlantic Canada with over \$16.6 billion in pension fund assets under management as at December 31, 2017. Vestcor also administers the day to day operation of 11 pension plans as well as benefit programs for approximately 96,000 individual members and 134 employer groups.

The Investment Client Relationship Manager will report directly to the President & CEO, and work closely with our Senior Leadership Team, in leading Vestcor's client relationship management activities for our key investment clients. This position will help coordinate all investment client activities, act as the primary day-to-day contact point for client interactions and coordinate the composition and delivery of Vestcor's client reporting requirements.

As the ideal candidate, you will possess a university degree in Business Administration or a related field. A Chartered Financial Analyst (CFA) designation or a Fellow of the Canadian Institute of Actuaries (FCIA) would also be a strong attribute.

The successful candidate will have broad-based investment and pension portfolio knowledge and experience. You have client service orientation, excellent planning, presentation and communications skills and senior level management interaction experience. You have strong networking skills which you can draw upon to build positive relationships with Vestcor's client groups.

French language skills are considered a strong asset.

In the covering letter candidates **must** demonstrate why they believe they have the required qualifications and skills for this position.

We offer a competitive salary, an excellent benefits package and a challenging and rewarding team environment. Interested applicants must forward their cover letter and resume by **February 25, 2019** to:
