A GUIDE FOR RETIREES

Standing Committee on Insured Benefits
Comité permanent sur les régimes d'assurance

This booklet summarizes group benefits available to employees as of the issue date and has been prepared solely for information purposes. While every effort has been made to ensure that this summary is accurate, benefits may change from time-to-time. As a summary, this booklet does not include all details, qualifications, restrictions, exclusions, and limitations applicable to the employee group benefit plans.

This summary is not a legal document and does not create any legal rights or obligations. The official employee group insurance contract, service agreements, legislation, regulations, and guidelines will govern all questions of entitlement to benefits.

Introduction

The New Brunswick Public Service Benefit Plans provide retired employees with assistance in covering specified health, travel, and dental expenses. The Retiree Benefit Plans are fully funded with the retirees' contributions and are overseen by the Standing Committee on Insured Benefits (SCIB). They are managed regularly to ensure that the plans are affordable, sustainable and meet the needs of retirees. The day-to-day administration of these benefit policies are overseen by the Employee Benefit Services team, a section of the Department of Finance and Treasury Board.

This booklet is intended for retirees and their dependents and provides an overview of the following benefits plans:

- ◆ Health Plan
- ◆ Travel Plan
- ◆ Dental Plan

Additionally, this booklet contains helpful information about maintaining Life and Accidental Death and Dismemberment (AD&D) insurance following retirement.

For information on the benefits available to other groups, refer to the following booklets:

- ◆ New Brunswick Public Service Benefit Plans: A Guide for Active Employees
- ◆ New Brunswick Public Service Benefit Plans: A Guide for Provincial Court Judges

Service Providers

The benefit plans are serviced and administered by the external vendors outlined in the table below. The service providers are subject to change at the end of each contract.

Benefit Plans and Services	Service Provider
Health Plan	Medavie Blue Cross (MBC)
Travel Plan	Medavie Blue Cross (MBC)
Dental Plan	Medavie Blue Cross (MBC)
Claims Administration / Insurer	Medavie Blue Cross (MBC)
Plan Administration	Vestcor

Eligibility, Enrolment and Transfer

The benefit plans are open to former employees of the Province of New Brunswick who meet the eligibility criteria listed below. The eligible dependents of participating retirees also have the option to participate in the benefit plans.

Retiree Eligibility Criteria

The eligibility criteria for former employees of the Province of New Brunswick to transfer into the Retiree Benefit Plans are as follows:

- ◆ An employee who retires at 50 years of age or greater and has participated in the applicable Active Employee Benefit Plans for at least one month immediately prior to retirement. The transfer application **must** be made within **31 calendar days** of their retirement date.
- ◆ If the employee has terminated employment, at any age, **due to disability**, the employee (including their eligible dependents) may choose to transfer into the Retiree Benefit Plans provided they had coverage under the PNB Active Employee Benefit Plans immediately (at least one month) prior to the loss of coverage. The transfer application **must** be made within **31 calendar days** of loss of coverage.
- ◆ Upon termination of employment (for any reason) **at 50 years of age or greater**, an employee (including their eligible dependents) may choose to transfer into the Retiree Benefit Plans provided they had coverage under the PNB Active Employee Benefit Plans immediately (at least one month) prior to the loss of coverage. The transfer application **must** be made within **31 calendar days** of loss of coverage.
- ◆ Retirees must be residents of Canada to be eligible to participate and must be covered for benefits under a provincial or territorial government health insurance plan (e.g., Medicare).

Dependent Eligibility Criteria

Dependents are defined as a retiree's spouse and dependent children and their eligibility criteria to participate in the retiree benefit plans is outlined in the table below.

For dependents to be eligible to participate in a benefit plan, the retiree must also be participating in that plan (e.g., a spouse cannot participate in the Dental plan unless the retiree is also participating in the Dental plan).

Dependents must be residents of Canada and must be covered for benefits under a provincial or territorial government health insurance plan (e.g., Medicare).

Eligibility Requirements	
Spouse	<p>A spouse is eligible for coverage if legally married to the retiree or in a common-law partnership with cohabitation for at least one year. A divorced spouse is not eligible for coverage.</p> <p>Only one spouse is eligible for coverage. Where the retiree has more than one spouse, as defined above, the retiree may choose which spouse will be covered.</p>

Children*	Dependent children are eligible for coverage if: <ul style="list-style-type: none"> ◆ under age 21; ◆ a natural, adopted, or stepchild of the retiree; ◆ reliant on the retiree for financial care and support; and ◆ not married or in a common-law relationship.
Students	Coverage for dependent children can continue until their 26 th birthday, if a full-time student at an accredited post-secondary educational institution.
Over-Age Dependents	Coverage for dependent children can continue beyond age 21 if a mental or physical disability was diagnosed prior to age 21, or prior to age 26 if a full-time student at date of diagnosis. Must complete the Special Dependent Questionnaire .
* Does not include foster children.	

Enrolment, Transfer and Changes

For employees and dependents to transfer into the Retiree Benefit Plans, retirees must complete the [Retiree Benefit Plans – Transfer Application Form](#) and submit it to their Human Resources or Payroll Services office within **31 calendar days** of employee coverage ending.

Dependents may be added at the time of transfer or within **31 calendar days** following a life changing event (outlined in the table below). A transfer checklist for employees is included in [Appendix A](#).

NOTE: If you cannot obtain the documentation required within **31 calendar days**, send the [Retiree Benefit Plans – Change Form](#) immediately to:

- ◆ the Plan Administrator (Vestcor) if your monthly premiums are deducted from your pension benefit; or
- ◆ to the Claims Administrator (MBC) if your monthly premiums are paid through pre-authorized debit/chequing;

and then send the required documentation when it becomes available.

Life Changing Event	Who Can be Added?	Documentation Required
Marriage or Common-Law Partnership*	Spouse and Dependent Children	Copy of marriage Certificate or Statutory Declaration of Common-Law Partner .
Birth or Adoption	Spouse and Dependent Children	Copy of the birth certificate or the sealed signed adoption documents.
Initial Post-Secondary Enrolment	Dependent Children	Applies to the student's initial** enrolment in post-secondary education. Indicate on Retiree Benefit Plans – Change Form and provide proof of full-time enrolment in an accredited post-secondary institution.
Obtaining of Government Health Insurance (e.g., Medicare)	Spouse, and Dependent Children	Proof of acceptance for Government Health Insurance (card or eligibility confirmation letter).

For all life changing events, anyone added to the Health, Travel and Dental Plans must provide proof of government health insurance (e.g., Medicare).

* Can only take advantage of one or the other, not both. For example, if a couple who attains common-law status and later gets married, the marriage would only be considered a life changing event if the couple did not take advantage of the common-law status life changing event (e.g., did not enrol or make changes upon attaining common-law status).

** "Initial" means it **would be** a life changing event anytime a dependent child starts at university/college for the first time or is coming back after enrolling years prior and dropping out or having completed their degree and coming back a few years later to pursue their studies. However, this **would not** be a life changing event every single year of study when continuous (e.g., September 2023 (1st year of study), September 2024 (2nd year of study), September 2025 (3rd year of study), etc.).

Only employees and dependents who have been participating in the Active Employee Benefit Plans for **at least one month immediately prior to retirement** are eligible to transfer their coverage to the Retiree Benefit Plans. Employees and dependents **cannot initially enrol** in the benefit plans at the time of retirement. They would be considered late applicants.

Likewise, **only those plans that the employee has been participating in at the time of retirement** are eligible for transfer (e.g., an employee participating in the Health and Travel plans but not the Dental Plan will only be eligible to transfer their Health and Travel coverage).

It is important that employees and eligible dependents understand they will be treated as [late applicants](#) and may be at risk of being declined coverage by the Insurer **if they do not transfer** to the Retiree Benefit Plans or make changes within **31 calendar days** of becoming eligible or if they **choose to decline or cancel coverage** and wish to enrol at a later date.

Coverage options are different between the Active Employee and Retiree Benefit Plans. The available options for transferring coverage are outlined below.

Employee Coverage		Retiree Coverage
Employee Only		Single Coverage
Employee + 1 Dependent		Single Coverage or Family Coverage*
Employee + 2 or More Dependents		
* Family coverage includes the retiree plus any number of dependents.		

To make changes to coverage, retirees must complete the [Retiree Benefit Plans – Change Form](#) and submit it to the Claims Administrator (MBC) or Plan Administrator (Vestcor) (depending on method of premium payment).

Late Application for Health and Travel (New – Effective June 1, 2024)

Eligible retirees* will be able to apply as late applicants for Health and Travel coverage under the PNB Retiree Benefit Plans, by providing proof of insurability - [Statement of Health](#) . Eligible dependents will also be able to apply as late applicants. However, it is important to understand that as late applicants, the retiree and their eligible dependents may be at risk of being declined coverage by the Insurer.

***Eligible retirees:** retirees who had Health and Travel coverage under the PNB Active Employee Benefit Plans immediately (at least one month) prior to their retirement date.

*In light of the implementation of the Federal Dental Program, the initiation of the late applicant process for dental coverage will be deferred until a comprehensive examination of all potential impacts has been conducted.

Survivor Benefit

Participating dependents may continue to participate in the Retiree Benefit Plans following the death of the retiree. If dependents wish to continue participating, the Plan Administrator (Vestcor) must be notified of such within **31 calendar days** of the retiree's death.

For a spouse to continue participating, they must be 50 years of age or greater at the time of, or within **31 calendar days** of the employee's death.

For a dependent child to continue participating, the spouse must also continue to participate. A dependent child cannot continue participating in the Retiree Benefit Plans if the spouse does not also continue.

Although the dependents of a deceased retiree may continue to participate in the Retiree Benefit Plans, under no circumstances can coverage be extended to any other individuals (e.g., if the retiree's surviving spouse remarries or gives birth to new children, coverage will not be extended to those new dependents).

If **not** 50 years of age or greater at the time of, or within **31 calendar days** of the retiree's death, the surviving spouse (including their eligible dependents) may choose to convert to an individual policy provided by Medavie Blue Cross called the **Select Conversion Plan** without having to provide proof of insurability (no medical questions asked). This option is only available within **31 calendar days** following the date of the retiree's death.

Select Conversion Plan

Select Conversion Plan is designed to provide coverage for routine medical expenses as well as for unexpected medical emergencies and accidents. The Select Conversion Plan starts with the Base Module, which provides comprehensive coverage for a variety of medical expenses. From there, Prescription Drugs, Dental and Annual Travel coverage, can be added to accommodate individual needs.

Note: The Select Conversion Plan does not offer a travel coverage to any participant aged 65 or over and prescription drug coverage is not available to any participant aged 65 or over who is eligible under a government-sponsored prescription drug program.

There are several offers for individual products and rates will vary by age and gender so a quote must be obtained directly from Medavie Blue Cross by calling 1-888-857-2583. A licensed agent will go through all options available to them and help decide which may be best for their situation.

Premium Contributions and Payments

Retirees are responsible for paying the entirety of premiums (100%) for each benefit. Monthly premiums are collected via pre-authorized debit or pension deductions, as selected on the [Retiree Benefit Plans – Transfer Application Form](#).

- ◆ **Pre-Authorized Debit** - premiums are deducted from the bank account of the retiree's choice on the first day of each month.
- ◆ **Pension Deductions** - premiums will be deducted from the retiree's monthly pension payments.

Monthly Premium Rates

Did You Know?

Upon transferring coverage from the Active Employee Benefit Plans to the Retiree Benefit Plans, you will receive a new [Medavie Blue Cross Identification Card](#). Your old ID Card will be deactivated and will have no further use. To avoid confusion between the two cards, it is recommended that you discard your old card and advise your pharmacy and other health professionals of the change.

Health Plan

The Health Plan provides benefits to participating retirees for specified expenses related to practitioner services, vision care, medical treatment and equipment, and prescription drugs.

Retirees may choose to participate in the Health Plan via one of the following two coverage options:

- ◆ **Single Coverage:** Coverage applies to the retiree only.
- ◆ **Family Coverage:** Coverage applies to the retiree and all eligible dependents (e.g., spouse and children).

NOTE: A retiree may participate in the Health Plan only or participate in both Health and Travel. Participation in the Travel Plan is only permitted if the retiree is enrolled in the Health Plan.

How to Transfer

- ◆ Complete the [Retiree Benefit Plans – Transfer Application Form](#).
- ◆ Submit it to Human Resources or Payroll Services office within **31 calendar days** of employee coverage ending.
- ◆ Employees and dependents who **do not transfer or make changes** within **31 calendar days** of becoming eligible will be treated as [late applicants](#) and are at risk of being declined coverage by the Insurer. Employees and dependents enrolling as late applicants in the Health plan will be required to complete a [Statement of Health](#) and send it directly to the Insurer for proof of insurability along with the [Retiree Benefit Plans - Late Application Form](#).
- ◆ Also note that only those plans that the employee has been participating in at the time of retirement are eligible for transfer (e.g., an employee participating in the Dental plan but not the Health & Travel Plan will only be eligible to transfer their Dental coverage).

Health Coaching and Managing Chronic Disease – Effective June 1st, 2024

This new benefit is meant to support retirees to take charge of their health. The benefit includes the **360 Total Care Program** and the **Telepharmacy Program**.

Covered conditions include:

- Lung Health (Asthma and Chronic Obstructive Pulmonary Disease (COPD))
- Diabetes
- Heart Health (High Blood Pressure and High Cholesterol)
- Weight Management
- Quitting Smoking

360 Total Care Program

The program offers direct access to personalized health coaching and education services from certified health professionals with specialized expertise. Retirees don't need a doctor's referral to participate, and no

pre-diagnosis is required. The program uses a holistic approach that goes beyond treating just one chronic condition.

The goal of the program is to help employees transform their health by:

- Better understanding their chronic disease.
- Confidently managing their symptoms.
- Getting their metabolism on track.
- Identifying and correcting problem habits or behaviours.
- Achieving and maintaining their health goals.

How does the program work?

The program is based on a quarterly subscription model that provides:

- One-on-one health coaching sessions by certified health professionals with specialized expertise to create personalized, realistic plans tailored to the retirees's unique needs, ensuring motivation and sustainable results. These coaches can be registered nurses, registered dieticians, and counsellors.
- The coaches will provide ongoing support and guidance to help members stay on track.
- Remote monitoring through a range of digital health tracking tools (will be provided through the program) and a mobile app to stay connected with the coaching team.
- Access to a variety of resources for healthy eating, fitness, self-care strategies.
- Services are delivered in both official languages through multiple channels such as in-person, online, telephone.
- The program is based on a quarterly subscription model and retirees must register for the program three (3) months at a time.
- There is no defined end to the program and retirees may continue in the program, for as long as they find value in the health coaching. The results will depend on the employee's individual health goals and progress.

Telepharmacy Program

A virtual health coaching team of specifically trained pharmacists who provide health coaching and medication counselling by telephone or video.

Claims Submission

Health claims must be submitted to the Claims Administrator (MBC) within 24 months using the Medavie Blue Cross Mobile App or the Member Services website or by mail. In many cases, the claim may be submitted instantly (direct billing) by showing your [Medavie Blue Cross Identification Card](#) to the health care professional when accessing services or purchasing covered items. Health claims submitted later than 24 months after the date in which the expense was incurred will not be assessed.

Claims must be accompanied by supporting evidence, which may include proof of participation, receipts of purchase, invoices, accommodation/transportation records, medical records/certificates, written statements from involved parties, or police reports, or any other information that is deemed necessary for the Claims Administrator (MBC) to properly assess the claim.

All claim limits are in Canadian dollars.

Limitations and Exclusions

Unless otherwise specified, health benefits will not be paid in the following cases:

- ◆ Medical examinations or routine general checkups required for use by a third party;
- ◆ Charges for rest cures, convalescent care, custodial care, rehabilitation services in a hospital for the chronically ill or a chronic care unit of a general hospital, or charges incurred by the participant when, in the opinion of the Claims Administrator (MBC), proper treatment should be in a chronic care unit of an institution for the chronically ill;
- ◆ Charges relating to elective services obtained by a participant outside of their province of residence when the provincial government health care programs has not accepted liability for those items normally covered in the participant's province of residence;
- ◆ Services or supplies to which the participant is entitled under any workers' compensation statute;
- ◆ Charges which normally would not be made if the participant were not covered by this benefit plan;
- ◆ Services for cosmetic purposes or conditions not detrimental to one's health;
- ◆ Services or supplies normally available without cost, or at nominal cost, under any government statute;
- ◆ Mileage or delivery charges to or from a hospital or health care professional (excluding ambulance services);
- ◆ Services required as the result of committing or attempting to commit a criminal act;
- ◆ Services in connection with an injury or disease resulting from riot, insurrection, or war (declared or not), including any condition caused directly or indirectly by the armed forces of any country;
- ◆ Medications restricted under federal or provincial legislation which are prescribed and/or dispensed despite such regulations;
- ◆ Registration or non-resident charges in any hospital;
- ◆ Services performed by an unlicensed or unqualified practitioner;
- ◆ Charges for missed appointments or the completion of forms;
- ◆ Services which are normally paid for directly or indirectly by the employer;
- ◆ Services or supplies provided by a company that has not been approved by the Claims Administrator (MBC);
- ◆ Charges for experimental or investigative health care services or supplies;
- ◆ Services or supplies which are not medically necessary nor proven effective;
- ◆ Charges for health care planning assessments;
- ◆ Services or supplies provided by a person that normally resides in the participant's home or is a member of the participant's immediate family either by blood or marriage; or
- ◆ Health care services or supplies administered in a hospital, by any agency or provider controlled by a hospital, or by any agency or provider funded by any level of government.

Did You Know?

"Usual and customary expenses" is defined as the normal charges for similar services made by other providers of the same standing in the geographical area where the charge is incurred, as determined by the Claims Administrator (MBC).

Travel Plan

The Travel Plan provides benefits to participating retirees for specified expenses incurred due to accident or illness while traveling outside their province of residency.

NOTE: The Travel Plan is an extension of the Health Plan. A retiree may participate in the Health Plan only or participate in both Health and Travel. Participation in the Travel Plan is only permitted if the retiree is enrolled in the Health Plan.

How to Transfer

- ◆ Since the Travel Plan is an extension of the Health Plan, refer to the [Health Plan](#) section and follow the same instructions to transfer the travel coverage.

Accidental Dental – Charges for dental treatment, when natural teeth have been damaged by a direct accidental blow to the mouth, or a fractured or dislocated jaw requires corrective setting. Dental treatment must be approved by the Claims Administrator (MBC) within 180 days of the accident, and dental work must be completed within 24 months of the accident.

Ambulance Transportation – Charges for ambulance transportation (including by air) to and from the nearest appropriate medical facility. This benefit includes inter-Hospital transfers, where the existing facility is inadequate for treatment or stabilization.

Coming Home – Extra charges for economy transportation to the participant's home city in Canada when an illness requires that the participant return accompanied by a medical attendant. The medical attendant must not be a relative of the participant. Written authorization is required from the attending physician. If returning on a commercial aircraft, this benefit includes:

- ◆ Two economy seats by most direct route to the participant's home city in Canada (a one-way fare for the participant and a round-trip fare for the medical attendant); or
- ◆ The number of economy seats necessary, if the participant is required to be on a stretcher, by most direct route to the participant's home city in Canada (one-way fares for the participant and a round-trip fare for the medical attendant).

Diagnostic and X-ray Services – Charges for diagnostic laboratory and x-ray services, when authorized by the attending physician.

Hospital Accommodations – Charges for room accommodations (not suites) in public general hospitals and medically necessary inpatient/outpatient services.

Meals / Accommodations – Charges for unanticipated accommodations or meals when a trip is delayed due to accident or illness to a participant or travelling companion. The illness or accident must be verified by the attending physician.

Medical Equipment – Purchase of casts, crutches, canes, slings, splints, trusses, braces, or rental of a wheelchair or scooter, when authorized by a physician and required as the result of sickness or accident.

Physicians and Surgeons – Charges for services provided by physicians and surgeons.

Other Practitioners – Charges for services provided by chiropractors, osteopaths, chiropodists/podiatrists, or physiotherapists, excluding charges for x-rays. The practitioner must not be a relative of the participant

Prescriptions – Charges for drugs, serums and injectables in a quantity that is sufficient for the period of travel, in accordance with the procedures of the [Health Plan's Prescription Drug benefit](#).

Private Duty Nursing – Charges for private nursing care when authorized by the attending physician. The nurse must not be a relative of the participant or an employee of a hospital.

Return of Deceased – Charges for the preparation (including cremation) and homeward transportation of the deceased (excluding the cost of a coffin) to the deceased's home city in Canada.

Transportation of Family / Friend – Charges for the round-trip economy fare of an immediate family member or close friend when the participant has died or been confined to a hospital and the attending physician advises that such person's attendance is necessary.

Vehicle Return – Charges for a commercial agency to drive the participant's vehicle (private or rental) to the participant's residence or nearest appropriate vehicle rental agency when the participant is unable to return the vehicle due to sickness or accident.

Travel Tips

- If you are uncertain, you will be covered while traveling due to a pre-existing medical condition or the destination, call the toll-free number at 1-800-667-4511.
- While traveling be sure to bring your Medavie Blue Cross Identification Card.
- In the event of a medical emergency while travelling, call the toll-free number on your card for support and guidance.

Referrals Outside Canada

If a participant is referred outside Canada by the attending physician for services that are medically necessary and are not available in Canada, the following expenses may be covered:

Ambulance Attendant – Charges for a nurse to accompany the participant being transported in an ambulance, when authorized by the Claims Administrator (MBC). The nurse must not be a relative of the participant

Ambulance Transportation – Charges for ambulance transportation (including by air) to and from the nearest appropriate hospital/medical facility, when the participant requires transportation by stretcher.

Hospital Services – Charges for medical services performed or provided in a hospital, including:

- ◆ Hospital room accommodations;
- ◆ Operating and recovery rooms;
- ◆ Intensive care rooms;
- ◆ Oxygen and blood;
- ◆ Nursing services;
- ◆ Prescription drugs (including intravenous solutions);
- ◆ Diagnostic and laboratory services (including x-rays); or
- ◆ Physiotherapy.

Physicians and Surgeons – Charges for services provided by physicians and surgeons.

The amount payable for this benefit is 100% of the usual and customary expenses that are in excess of provincial government health care allowances, and the maximum amount payable is \$500,000 per lifetime.

Participants must be pre-authorized by the Claims Administrator (MBC) and the services provided must not be experimental or investigative in nature.

Worldwide Travel Assistance

Participants have access to a 24/7 emergency hotline that may be of assistance when an emergency occurs while travelling.

When the participant calls the telephone number on the back of their [Medavie Blue Cross Identification Card](#), coverage can be confirmed to the hospital or attending physician, and payment of medical expenses can be arranged or coordinated on behalf of the participant. Additionally, participants may receive the following assistance.

Medical Assistance – The participant may call to obtain a list of nearby hospitals/medical facilities, and arrangements can be made for:

- ◆ Advice from a physician;
- ◆ Medical follow-ups of the participant's condition, and communication with the participant's family;
- ◆ Transportation to return home, or transfer to a different hospital/medical facility; and
- ◆ Transportation of a family member or close friend to visit the participant in hospital, or to identify the body if deceased.

Non-Medical Assistance – The participant may call to obtain:

- ◆ Emergency assistance in any major language;
- ◆ Emergency assistance in contacting their family or business; and
- ◆ Advice from legal counsel.

Claims Submission

Travel claims must be submitted to the Claims Administrator (MBC) by mail within four (4) months. Claims submitted later than four (4) months after the date in which the expense was incurred will not be assessed.

Claims must be accompanied by supporting evidence, which may include proof of participation, receipts of purchase, invoices, accommodation/transportation records, medical records/certificates, written statements from involved parties, or police reports, or any other information that is deemed necessary for the Claims Administrator (MBC) to properly assess the claim.

All claim limits are in Canadian dollars.

Limitations and Exclusions

Unless otherwise specified, travel benefits will not be paid in the following cases:

- ◆ Travel within the participant's province of residence;
- ◆ Travel outside the participant's province of residence that is primarily or incidentally for the purposes of seeking medical advice or treatment, even if such travel is on the recommendation of a physician;
- ◆ Travel booked or commenced contrary to medical advice;
- ◆ Expenses incurred while travelling in a country (or a specific region of a country) for which there is a Government of Canada travel warning, when such travel warning was issued before the departure date and expenses are related to the reason for which the travel warning was issued;
- ◆ Expenses that are related to a medical condition, illness, or injury which has deteriorated; been diagnosed; required medical consultation; required hospitalization; or required a change in medication, at any time within the 3 months period immediately prior to the date of departure.
- ◆ Expenses incurred for elective (non-emergency) treatment or surgery;
- ◆ Expenses that are covered by a third-party (including public or private insurance plans);
- ◆ Expenses incurred as the result of abuse of medications, drugs, or alcohol;
- ◆ Expenses incurred as the result of suicide or attempted suicide;
- ◆ Expenses incurred as the result of criminal acts, insurrection, war (declared or not) or other hostilities, the hostile action of the armed forces of any country, or participation in any riot or civil commotion;
- ◆ Expenses incurred as the result of pregnancy, miscarriage, or childbirth, or complications of any of these conditions occurring within nine weeks of the expected date of birth;
- ◆ Expenses incurred as the result of driving a motorized vehicle while impaired by drugs or alcohol (of an amount equal to or greater than 80 milligrams in 100 millilitres of blood);

- ◆ Expenses incurred as the result of flight accidents, unless the participant is riding as a fare-paying passenger on a commercial airline or charter aircraft with a seating capacity of six people or more;
- ◆ Expenses incurred as the result of participation in professional sports for remuneration, parachuting, skydiving, gliding, bungee jumping, rappelling, or mountaineering (rock climbing);
- ◆ Services or supplies provided by a person that normally resides in the participant's home or is a member of the participant's immediate family either by blood or marriage; or
- ◆ Expenses incurred as the result of the participant failing to return to Canada following the diagnosis or emergency treatment of a medical condition which requires continuing medical services, treatment, or surgery, when the Claims Administrator (MBC), in consultation with the attending physician, has ordered that the participant return to Canada to receive such services.

Dental Plan

The Dental Plan provides benefits to participating retirees for specified expenses related to preventative and basic dental care.

Retirees may choose to participate in the Dental Plan via one of the following two coverage options:

- ◆ **Single Coverage:** Coverage applies to the retiree only.
- ◆ **Family Coverage:** Coverage applies to the retiree and all eligible dependents (e.g., spouse and children).

The amount payable for the covered benefits listed below is 80%, based upon the usual and customary expenses up to the amounts identified in the New Brunswick Dental Fee Guide. However, Dental benefits are not automatically adjusted to reflect the current year's Fee Guide. Effective June 1st, 2024, claims will be paid as outlined in the NB 2022 Dental Fee Guide.

IMPORTANT: Those enrolled in the Dental Plan are required to participate for a minimum of two (2) years.

How to Transfer

- ◆ Complete the [Retiree Benefit Plans – Transfer Application Form](#).
- ◆ Submit it to Human Resources or Payroll Services office within **31 calendar days** of employee coverage ending.
- ◆ In light of the implementation of the Federal Dental Program, the initiation of the late applicant process for dental coverage will be deferred until a comprehensive examination of all potential impacts has been conducted.
- ◆ Also note that only those plans that the employee has been participating in at the time of retirement are eligible for transfer (e.g., an employee participating in the Health and Travel plans but not the Dental Plan will only be eligible to transfer their Health and Travel coverage).

Temporomandibular Joint / Myofascial Pain Dysfunction Services include:

- ◆ Relines;
- ◆ Appliances; and
- ◆ Adjustments.

Claims Submission

Dental claims must be submitted to the Claims Administrator (MBC) within 24 months using the Medavie Blue Cross Mobile App or the Member Services website or by mail. In many cases, the claim may be submitted instantly (direct billing) by showing your [Medavie Blue Cross Identification Card](#) to the dental care professional when accessing services. Claims submitted later than 24 months after the date in which the expense was incurred will not be assessed.

Claims must be accompanied by supporting evidence, which may include proof of participation, receipts of purchase, invoices, accommodation/transportation records, medical records/certificates, written statements from involved parties, police reports, or any other information that is deemed necessary for the Claims Administrator (MBC) to properly assess the claim.

All claim limits are in Canadian dollars.

Limitations and Exclusions

Unless otherwise specified, dental benefits will not be paid in the following cases:

- ◆ Treatment or appliance to correct vertical dimension and temporomandibular joint dysfunction that is related to full mouth reconstruction;
- ◆ Services rendered by a dental hygienist but not administered under the supervision of a dentist (except in those provinces where such is no longer a legal requirement);
- ◆ Services and supplies relating to any appliance worn in the practice of a sport;
- ◆ Expenses that are covered by a third-party (including public or private insurance plans), or that would normally be covered if a claim had been submitted;
- ◆ Services that are provided free of charge (or that would be if there were no coverage), or that are not chargeable to the participant;
- ◆ Any suicide attempt or self-inflicted injury, whether the participant is sane or not;
- ◆ Any injury or illness resulting from participation in war, civil unrest, riot, or insurrection (unless such is incurred while performing work-related functions);
- ◆ Services or supplies that are not medically necessary, that are for cosmetic purposes (excluding composite fillings);
- ◆ Services that exceed the ordinary given in accordance with current therapeutic practice;
- ◆ Expenses incurred for veneers;

- ◆ Splinting for periodontal reasons, where cast crowns or inlays are used for this purpose, with or without onlays;
- ◆ Services or supplies provided by a person that normally resides in the participant's home or is a member of the participant's immediate family either by blood or marriage.

Did You Know?

Dental services required as the result of natural teeth being damaged by a direct accidental blow to the mouth are not covered under the Dental Plan but are provided under the [Health Plan](#).

Conversion of Insurance

Conversion of Life and AD&D Insurance

Upon termination of employment for any reason (including retirement), employees under 76 years of age (for Life insurance) or under 65 years of age (for AD&D insurance) have the option to convert their Life and AD&D coverage to an individual policy without any medical questions asked if the conversion request is made within **31 calendar days** of the date in which their coverage has ended. **NOTE:** Failure to meet this requirement could result in denial of the application for conversion.

The maximum amount of coverage that an employee may convert is outlined in the table below.

	Maximum Amount for Life Insurance (Basic and Optional Combined)	Maximum Amount for AD&D Insurance (Basic, Optional, and Voluntary Combined)
Below age 65	\$200,000	\$200,000
Below age 66		Ineligible to convert
Age 66-70	\$50,000	
Age 71-75	\$25,000	
Age 76+	Ineligible to convert	

Participating spouses who meet the eligibility criteria, and who are under 76 years of age (for Dependent Life coverage) or under 65 years of age (for Voluntary AD&D coverage), also have the option to convert their Life and AD&D coverage to an individual policy without any medical questions asked if the conversion request is made within **31 calendar days** of the date in which their coverage has ended. **NOTE:** Failure to meet this requirement could result in denial of the application for conversion.

Reasons for which a spouse may be able to convert include:

- ◆ Death of the employee;
- ◆ Termination of the employee's coverage; or
- ◆ Termination of the employee's employment (including retirement).

The maximum amount of coverage that a spouse may convert is outlined in the table below.

	Maximum Amount for Dependent Life	Maximum Amount for Voluntary AD&D
Below age 65	\$12,000	\$200,000
Below age 66		Ineligible to convert
Age 66-70		
Age 71-75		
Age 76+	Ineligible to convert	

A spouse who continues to meet the eligibility criteria but whose coverage has been purposely reduced or terminated by the retiree is not eligible to convert their coverage to an individual policy.

To convert Life or AD&D insurance to an individual policy without any medical questions asked, employees and/or spouses must complete the form [Group Life and Accidental Death and Dismemberment Insurance Request for Conversion Proposal](#) and submit it to the Insurer within **31 calendar days** of the date in which coverage has ended. **NOTE:** Failure to meet this requirement could result in denial of the application for conversion.

Appendix A: Transfer Checklist

- The following checklist will assist you in transferring coverage to the Retiree Benefit Plans.
- Read the [Retiree Eligibility Criteria](#) section to verify that you are eligible to transfer.** *If you have questions about eligibility, contact your employer or Vestcor's Member Services Teams.*
- Review this booklet to ensure that you are familiar with the benefits available under each plan.** *This booklet details the benefit plans available to participate in, coverage options under each plan, and the benefits that you can expect to receive should you need them.*
- If you are also transferring your dependents' coverage, read the [Dependent Eligibility Criteria](#) section to verify that they are eligible to transfer.** *If you have questions about eligibility, contact your employer or Vestcor's Member Services Team.*
- Complete the [Retiree Benefit Plans - Transfer Application Form](#) and select a method of paying premiums. Return this completed form to your Human Resources or Payroll Services office within 31 calendar days of employee coverage ending.** *Selecting Pre-Authorized Debit/Chequing will result in premiums being deducted from the bank account of your choice on the first day of each month. Selecting Pension Deductions will result in premiums being deducted from your monthly pension payments. If you fail to submit this form within the specified timeframe, you risk your application being denied – you and your dependents will be deemed ineligible to participate in the Retiree Benefit Plans.*
- Within a few weeks of submitting this form, you will receive a new [Medavie Blue Cross Identification Card](#) in the mail.** *If your card does not arrive within one month of submitting your transfer form, promptly contact Medavie Blue Cross. Your old ID Card will be deactivated and will have no further use. To avoid confusion between the two cards, it is recommended that you discard your old card.*

Appendix B: Medavie Blue Cross Identification Card

Upon transferring coverage to the Retiree Benefit Plans, you will receive by mail a new Medavie Blue Cross Identification Card (sample card shown below). Because your old card (from when you participated in the Active Employee Benefit Plans) will be deactivated and have no further use, it is recommended that you discard your old card and advise your pharmacy and other health professionals of the change.

By showing your card to those health care professionals that are part of Medavie Blue Cross' ePay network, the provider will automatically apply your benefits and only charge the portion not covered by the benefit plans.

To find out which professionals are part of the ePay network, use Medavie Blue Cross' online [Find a Health Professional](#) search tool on their website (www.medaviebc.ca).

If you've lost your card, you can print a new one from the Account tab of the [Member Services website](#). This printed version can be used in the same manner as your original card, even if it is printed on paper or in black-and-white ink.

An electronic version of your card can also be accessed via the *Medavie Blue Cross Mobile* app, available for free on the App Store (Apple / iOS devices) and the Google Play store (Android devices).
