If approved, the Health and Travel coverage will be effective on the decision date by medical underwriting and the premiums will be deducted the first of the following month.
- Travel insurance coverage is only available with health coverage. If selecting travel, ensure you choose the same coverage (Single or Family) that you selected for your health coverage.
- If adding a new spouse/dependent the retired employee must change from single to family coverage within 31 days following the date of marriage or one year of co-habitation.
- Surviving spouses of a PNB Retiree cannot add new spouses or dependents that have been acquired through re-marriage.

*In light of the implementation of the Federal Dental Program, the initiation of the late applicant process for dental coverage will be deferred until a comprehensive examination of all potential impacts has been conducted.
