

## Research Analyst

**Vestcor** has a full-time position available for a Research Analyst.

Located in Fredericton, Vestcor is the largest investment manager in Atlantic Canada providing global investment management services to 11 different client groups representing approximately \$23.1 billion in assets under management. We also provide administration services to 10 pension plans and five employee benefit plans.

The Research Analyst will report to the Vice-President Quantitative Investment & Applied Research and provide support to the Investment Team by conducting analyses with respect to investment policy and asset mix decisions, producing economic and financial markets reports, evaluating new investments / investment strategies, participating in risk measurement initiatives, and engaging in ongoing efforts to improve corporate effectiveness.

The ideal candidate requires an undergraduate or graduate degree in Finance, Economics, or in a quantitative discipline such as Data Science or Actuarial Science with a demonstrated interest in investments and financial markets. They should also have strong analytical and financial skills including experience with statistical analysis of large data sets using software such as R and experience with SQL, and programming or scripting languages such as VB/VBA or Python. A CFA designation or interest in enrolling in the program or another similar professional designation (e.g. CAIA) would be considered an asset.

The successful candidate will be a team player with a strong work ethic, excellent communication skills, and attention to detail. Written and spoken competence in English is required.

In the covering letter, candidates **must** demonstrate why they believe they have the required qualifications and skills for this position.

We offer a competitive salary, an excellent benefits package, and a challenging and rewarding team environment. The successful candidate will participate in the New Brunswick Public Service Pension Plan.

Vestcor supports a diverse and inclusive work environment and encourages applications from all qualified applicants. Interested applicants must forward their cover letter and resume by August 8, 2025 to:
