

Benefits Services Specialist

Vestcor has a full-time position available for a Benefits Services Specialist.

Located in Fredericton, Vestcor is the largest investment manager in Atlantic Canada, providing global investment management services to 11 different client groups representing approximately \$24.4 billion in assets under management. We also provide administration services to 11 pension plans and five employee benefit plans.

The Benefits Services Specialist works as part of a team in performing a number of pension-related calculations for plan members. Calculations are performed using our pension administration system along with Excel spreadsheets. The work is performed within a fast-paced, high-volume environment with a focus on providing excellent service to plan members.

The ideal candidate requires a post-secondary diploma and five years of work experience. Experience working with Microsoft Office Suite is required.

The candidate must be a team player, be client focused, possess strong analytical and problem-solving skills, and have excellent attention to detail. Written and spoken competence in English is required.

In the cover letter, candidates must demonstrate why they believe they have the required qualifications and skills for this position. We offer a competitive salary, an excellent benefits package, and a challenging and rewarding team environment. The successful candidate will participate in the New Brunswick Public Service Pension Plan.

Vestcor supports a diverse and inclusive work environment and encourages applications from all qualified applicants. Interested applicants must forward their cover letter and resume by **September 30, 2026**.
